

VISION, VALUES & AIMS

“To work together and support each other to reach our full potential as citizens of Scotland and the World.”

“With each other, for each other.”

COLLABORATION

We aim to:

- Foster good communication between school, parents, partners and the community.
- Encourage excellent communication between all learners in the classroom.
- Involve all stakeholders in self-evaluation leading to school improvement.
- Work with parents and partners to access support for children when required.
- Participate in the life of our community

UNCRC Articles: 1,3 & 15

RESPECT

We aim to:

- Foster a culture of respect between all stakeholders.
- Promote excellent behaviour through taking responsibility.
- Celebrate diversity and promote equality.
- Respect and appreciate our environment.
- Develop our own sense of identity with personal values and beliefs
- Develop ourselves as global citizens.

UNCRC Articles: 1,2,3,12,13 & 14

INCLUSION

We aim to:

- Provide an inclusive environment for all.
- Celebrate and embrace differences.
- Remove barriers to learning and participation.
- Ensure equity and equality of opportunity.

UNCRC Articles: 1,2,3,14,23 & 30

GROWTH

We aim to:

- Provide high quality learning experiences.
- Develop a growth mindset approach to learning and relationships.
- Provide equity in support and challenge where required to ensure pupils reach their potential.
- Develop our core skills for learning, life and work.
- Celebrate achievements from in and out with school.

UNCRC Articles: 1,3, 28 & 29

RESILIENCE

We aim to:

- Encourage children to be motivated, active and independent learners
- Maximise Self-esteem
- Provide the tools for all members of the school community to develop strong mental health and wellbeing.
- Encourage children to resolve minor conflicts independently
